Annual Donor Program

When Pinewood Players opened the playhouse, we introduced the Annual Donor Program for capital improvements. We encourage all members to participate, and our members have been very generous. Over the years we have benefited in many ways from these donations and some grants. For example, we have:

- Maintained and painted the theater interior and exterior
- Added light and sound equipment and later replaced and updated it
- Improved the outside lighting
- Improved the makeup/dressing rooms
- Acquired other theater equipment
- Added air conditioning
- Constructed the men's dressing room
- Added the front patio cover
- Replaced the front patio pavers
- Added a storage shed next to the Country Club cart barn
- Removed expansion joints in the stage floor
- Replaced damaged siding on the theater exterior
- Replaced all of the seats
- Replaced the carpet
- Built the video/light platform and storage room
- Installed additional curtains to improve sound
- Performed maintenance to improve safety and security
- Improved shelving in the costume room

Most recently, the Ticket Office was re-configured and extended, making it more visible, accessible and functional. It now also doubles as a concession stand during intermissions. The rest of the new space is for rehearsal storage. The previous space is now storage for set construction materials and walls, clearing the backstage of all such materials.

We are always looking for ways to enhance the enjoyment, convenience and safety of our audiences and we welcome your suggestions.

Two years ago we expanded the Annual Donor Program to provide for up to two scholarships of \$2,000 each to be awarded annually to students who are majoring or minoring in performing arts or education with a focus on the arts. Scholarship applicants must have a parent, grandparent or other close relative who resides in Munds Park. We were pleased to award scholarships to two very deserving students in each of those years.

More information about the Scholarship Program is on our website. If you wish to support this cause directly, you may designate on your check the portion of your donation to be deposited in the Scholarship Fund.

Four levels of annual donations are recognized in performance programs:

Supporters:	donations of \$50 - 99
Theater Lovers:	donations of \$100 - 249
Benefactors:	donations of \$250 - 499
Angels:	donations of \$500 and up

All donors of \$250 or more will receive two tickets for each of the two adult productions for the season, if desired. This is a value of \$13 per free ticket.

Your tax-deductible donation will be the amount donated, less the value of the benefits you receive (such as the free tickets for a donation of \$250 or more).
